University of Waikato Sustainability Symposium: Research in Action from Campus to Community

Tuesday 24 February, 2015
8:45 a.m – 5.45 p.m.

S Block
University of Waikato

Please join more than 50 University of Waikato faculty members for a day-long showcase of our sustainability-related research and its impact in the wider community.

The programme includes presentations on how a range of diverse topics connect to sustainability, including;

- Ecological restoration
- Sustainability education
- Tangata Whenua connections
- Information and communications technology
- Environmental politics and policy
- Composites and polymers research
- Environmental economics
- Public health
- Transport
- Agroecology and food production

The symposium is designed to share the University of Waikato's wide-ranging research related to sustainability across campus and facilitate networks to develop cross-Faculty proposals for external funding opportunities.

Visit <http://www.waikato.ac.nz/events/research/sustainability/> for the programme, a map of the location and information on how to register.

Please register by Friday 20 February.

Lunch, morning and afternoon tea provided for full day attendees
Drinks and nibbles sponsored by Waikato Management School at 5.30pm
