

THE STORY OF COROMANDEL KAURI ... *WHAT SORT OF FUTURE?*

**The Coromandel Kauri Dieback Forum and Ngati Maru
invite you to be part of a special marae-based workshop on
Saturday 10 September 2016**

*This workshop is a unique opportunity to learn about the significance
of kauri from a Māori and Pākehā perspective, and explore how we
can all work together to protect this precious taonga*

The programme includes:

- **The special relationship between tangata whenua and the ngahere**
- **The role of kauri in the shaping of the Peninsula**
- **The ecology of the kauri and kauri forests**
- **Why kauri dieback disease is so devastating**
- **How tangata whenua and scientists are searching for ways to combat this terrible disease**
- **How we can all work together to keep kauri standing**

Where: Matai Whetu Marae, Kopu

When: Saturday, 10 September, 8.45 am - 3:30 pm.

***Places will be limited so register your interest straight away by
emailing jeanie.mcinnnes@hotmail.com***

There will be a nominal charge for refreshments of \$10 plus gold coin koha
