

Electric Bikes: Educational Workshop and Test Rides: November 19.

Join Waikato Environment Centre, MeloYelo and electric bike expert Bruce McKenzie for a free workshop on November 19:

- Learn about the benefits of electric bikes
- The pros and cons of buying a new electric bike versus converting your existing bike
- Evaluate whether your bike is suitable for converting to electric
- What the conversion process involves and what tools you need
- Doing your own conversion, versus getting expert help
- New electric bikes: An overview
- Q&A
- Test rides

What: An educational workshop with opportunities for test rides

Where: Waikato Environment Centre, 242 Peachgrove Road, Hamilton

When: Nov 19, 11:00 – 1:00pm

RSVP: By Nov 15
